- ideal for pool opening and closing
- helps prevent stains, scale and tile line buildup
- helps chlorine and bromine work more efficiently
- crystal clear water with less work

## SIZES

32 oz.

64 oz.

### **THE POOL SOLUTION™ THE SUPER STUFF®**

**The Super Stuff** is a professional grade multi-function product that saves time and money. When used in conjunction with standard water balance chemical products, it makes chlorine and bromine more efficient by both prolonging and enhancing their ability to control stains and discoloration in swimming pool water. The comprehensive performance properties of **The Super Stuff** make it ideal for the opening and closing of pools. **The Super Stuff** helps prevent stains, scale and tile line buildup. **The Super Stuff** also acts as an oil-in-water emulsion breaker, flocculent, and descaler. When used as directed, **The Super Stuff** will produce crystal clear water with less work.

#### **DIRECTIONS:**

##### **Initial Dose / Pool Opening:**

Add recommended amount of chlorine or bromine.

- Clean or backwash your filter
- Add 2 ounces of **The Super Stuff** per 1,000 gallons of pool water.
- Allow at least 6 hours of filtration per day.

(For extremely cloudy pools, continuous operation of the filter is recommended until the water is clear.)

##### **Maintenance (every 2 weeks):**

Add recommended amount of chlorine or bromine.

- Clean or backwash your filter.
- Add 1 ounce of **The Super Stuff** per 1,000 gallons of pool water.
- Allow at least 6 hours of filtration per day.

(For extremely cloudy pools, continuous operation of the filter is recommended until the water is clear.)

##### **Pool Closing:**

Add recommended amount of chlorine or bromine.

- Clean or backwash your filter.
  - Add sanitizer and balance the water.
- (Adjust pH to 7.2-7.6, and make any necessary adjustments in total alkalinity, calcium hardness, etc.)
- Add 2 ounces of **The Super Stuff** per 1,000 gallons of pool water.
  - Allow at least 6 hours of filtration.

#### **CAUTION: KEEP OUT OF REACH OF CHILDREN**

May be irritating to eyes and skin. In case of contact, flush thoroughly with water. If swallowed, drink promptly a large quantity of water and rinse oral cavity. Call a physician.
