

When to Recommend Which Jack's Magic Products

Metal or Organic Staining, Scaling & Discoloration in Pools or Spas

(Step 1) Always start with the **Stain Identification Kit**

(Step 2) This will determine if you need to use **Iron Cobalt & Spot Etching Stuff, Copper & Scale Stuff, O2 Safe Shock** or a combination of products

(Step 3) You will also need: **Blue Stuff, Purple Stuff** (if salt pool) or **Magenta Stuff** (for scale only)

Step Stuff

For brown/tea colored stains on pool steps

Metals in Water / Weekly Maintenance

Pink Stuff (sequestrant)

- Ideal for known iron issues

Blue Stuff (sequestrant)

- Ideal for known copper issues

Purple Stuff (sequestrant)

- Ideal for salt pools

Magenta Stuff (sequestrant)

- Ideal for start-ups & water with a known calcium/scale issue, or for water with no known issues

Ionizer Stuff (chelator)

- Ideal for Ionizer or mineral systems

Enhancing Water Clarity

Filter Fiber Stuff

- Filters out more microns than any other type of filter while using less product
- NSF/ANSI 50 Certified for commercial pools
- Extends filter cycles and enhances water quality

Emerald Stuff or Sapphire Stuff

- 4x4 clarifier (chelator, flocculent, clarifier, sequestrant)
- Can be double dosed and used primarily as a flocculent to quickly clear sand/debris after natural disasters

Super Pacs

- All natural multi-enzyme in water soluble pac
- Great at breaking down oils, lotions, makeup and other organic contaminants that cause scum line build up and dull, oily water (especially in high bather load pools & spas)

Cleaning Above the Waterline

Power Blue Cartridge & DE Filter Cleaner

- For quickly cleaning and degreasing cartridge & de filters; spray on - rinse off (no soak)

Power Blue Waterline & Tile Cleaner

- For black scum line and bathtub rings above the waterline; spray on - wipe off

Power Blue Scale Off

- For removing calcium scaling above the waterline; spray on - brush off

Commercial Tile Cleaner

- Mix with muriatic acid or water to create a solution at your favorite consistency to remove dirt, grime and other gunk from tile and decking
